Demi Lovato also posted the picture on her [Twitter](#) account with the caption, "Nothing like one of your business partners/best friends showing up to support you!!! #COOLFORTHESUMMER."

Nick Jonas and Demi Lovato met while working on the Disney film 'Camp Rock' and have kept a

close friendship ever since. The young singers have recently decided to start their own record label with the help of Lovato's manager Phil McIntyre. 'Cool for the Summer' is [Safehouse Records](#)' first certified hit.

Demi Lovato's new single was recently in the news after claims that 'Cool for the Summer' was a rip-off of Katy Perry's 'I Kissed a Girl.' When [Entertainment Tonight](#) tweeted about the comparison, Lovato immediately responded.

"Sounds nothing like it and with all the advances we've made in the LGBT community I think more than one female artist can kiss a girl and like it," the singer wrote.

'[Cool for the Summer](#)' is the first single off of Lovato's upcoming album, which the singer claims will be different from her previous album.

"I'm no longer serious," Lovato said. "I'm done with like the sob stories and the tales. New chapter, new life, new album, new single. This is a completely new Demi."

[Nick Jonas](#) recently spoke up about his breakup with longtime girlfriend Olivia Culpo, where he confirmed that his hectic schedule was a factor.
