According to [Daniel Marshall](#), "a fine cigar is one of life's most distinguished pleasures. Therefore, a cigar's care and storage is an absolute necessity." Mr. Marshall knows all about fine care for cigars, as [Daniel Marshall](#)

[Humidors](#) provide sophisticated and quality storage for the true cigar enthusiast. Such care goes into a DM Humidor that new creations of cigar storage can take nearly four months to create- from the selection of the finest materials to an extensive quality-control process. One of the unique creations is the DM Chess Humidor, combining the elegance of the cigar with the grace of the ultimate thinking man's game. The drawer under the rosewood and maple chess board will hold up to 40 cigars, with room for your cutter and a lighter. The lead-weighted chess pieces are carved from rosewood and hard rock, and can be stored in a second drawer. If only there was a way to store bourbon in the pawns...
