Best Desktop Humidor
DANIEL MARSHALL

The best desktop humidor must not only appeal to the eye, but also properly care for its contents. This is something Daniel Marshall understands. With a lacquered ebony exterior, the Daniel Marshall Macassar Ebony 125 Cigar Humidor (\$700) is a sure fit for any executive's desk. Its Spanish cedar interior and self-regulating humidification system also make it a fine box for maintaining and aging your prized cigars. <http://danielmarshall.com>
